

Murwillumbah Rowing Club

Fire and Emergency Evacuation Policy

Objective:

To provide a safe and timely evacuation procedure for the Rowing Clubhouse in the event of a fire or other emergency necessitating evacuation.

Provide standard devices to warn of fires and assist with their containment.

Implementation:

- Clearly mark all exits
- Post plans at all entrances illustrating the location of emergency exits, muster points and fire control devices
- Install smoke alarms, fire hose reels
- Keep emergency exits clear at all times
- Designate a Fire warden for all Club functions held in the building.
The Regatta Secretary will be the designated Warden for all Regattas.

Emergency assembly Area:

MusterPoint "A": Riverside, downstream of Clubhouse

MusterPoint "B" : Kirby Road, off Tumbulgum Road opposite the Clubhouse.
